

## **Mins Bird Family Burial Ground**

**This family burial plot is located on private property. The property was once part of the Perry Starr farm located about 2 ½ miles N. of English, Indiana. The property is now under the ownership of Kathy Burrows who lives on Zoo Road N. of English.**

**There is one readable tombstone in this plot. The rest which is (8) fieldstones have no markings; or at least none that are readable. There is a concrete wall around Mins Bird's grave and two fieldstones which lie on each side of his stone. There is also six more fieldstones if not more which are located East of the concrete wall. These stones are lined up two in a row. It has been determined that there are either 3 graves with a fieldstone for a head marker and a foot marker or 6 graves.**

**This cemetery is quite a distance from the main road and you must obtain permission to access it.**

**Inscription:**

**Mins B Bird**

**Consort of Nancy A Bird**

**Died October 24, 1867**

**(other info on stone is difficult to read)**
